# Louisiana's Goals and Priorities

## SIX CRITICAL GOALS

Students enter kindergarten ready.

Students will achieve mastery on third-grade assessments and enter fourth grade prepared for grade-level content.

Students will achieve mastery on eighth-grade assessments and enter ninth grade prepared for grade-level content.

Students will graduate on time.

Students will graduate with a college and/or career credential.

Students will graduate eligible for a TOPS award.

## EDUCATIONAL PRIORITIES

Ensure every student is on track to a professional career, college degree, or service.

Remove barriers and create equitable, inclusive learning experiences for all children.

Provide the highest quality teaching and learning environment.

Develop and retain a diverse, highly effective educator workforce.

Cultivate high-impact systems, structures, and partnerships

# Louisiana Comeback

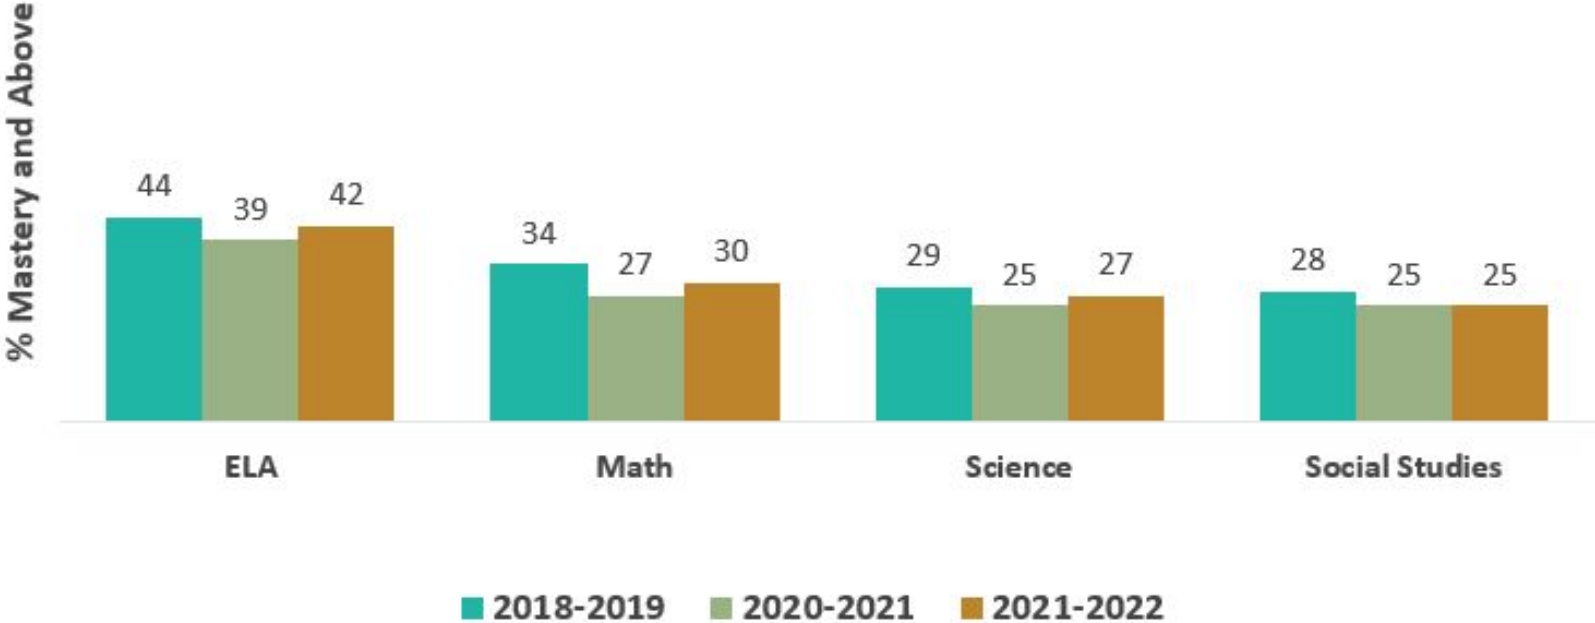

- Attendance and well-being
- Recovery and acceleration
- Professional learning

# Summary of LEAP Results

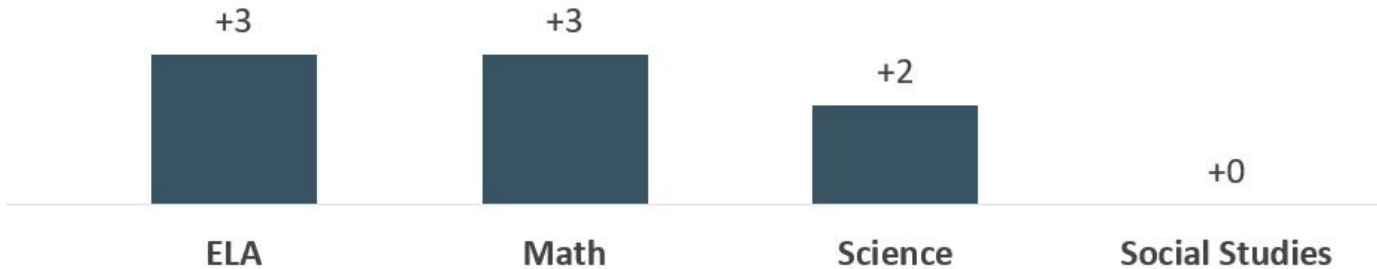

- A true testament to the work of our educators and communities, our students returned to a more normal teaching and learning environment in 2021-2022. ***98% of students engaged in full in-person learning (compared to 57% of students in 2020-2021).***
- LEAP scores showed signs of academic recovery in 2021-2022. ***The rate of students scoring Mastery and above improved among all individual subject areas for grades 3-12.***
  - 80% of traditional school system LEAs improved.
  - For students in grades 3-8, ***both ELA & Math Mastery rates improved by 3 percentage points.***
  - For student groups most impacted by the pandemic, ***the rate of students scoring Mastery and above improved for many student groups*** including economically disadvantaged students, Black or African American students, and students with disabilities.

ELA and Math both recovered about 3 points which reflects about half the mastery loss due to the pandemic.

# Percent Mastery and Above: Grades 3-8, by Subject

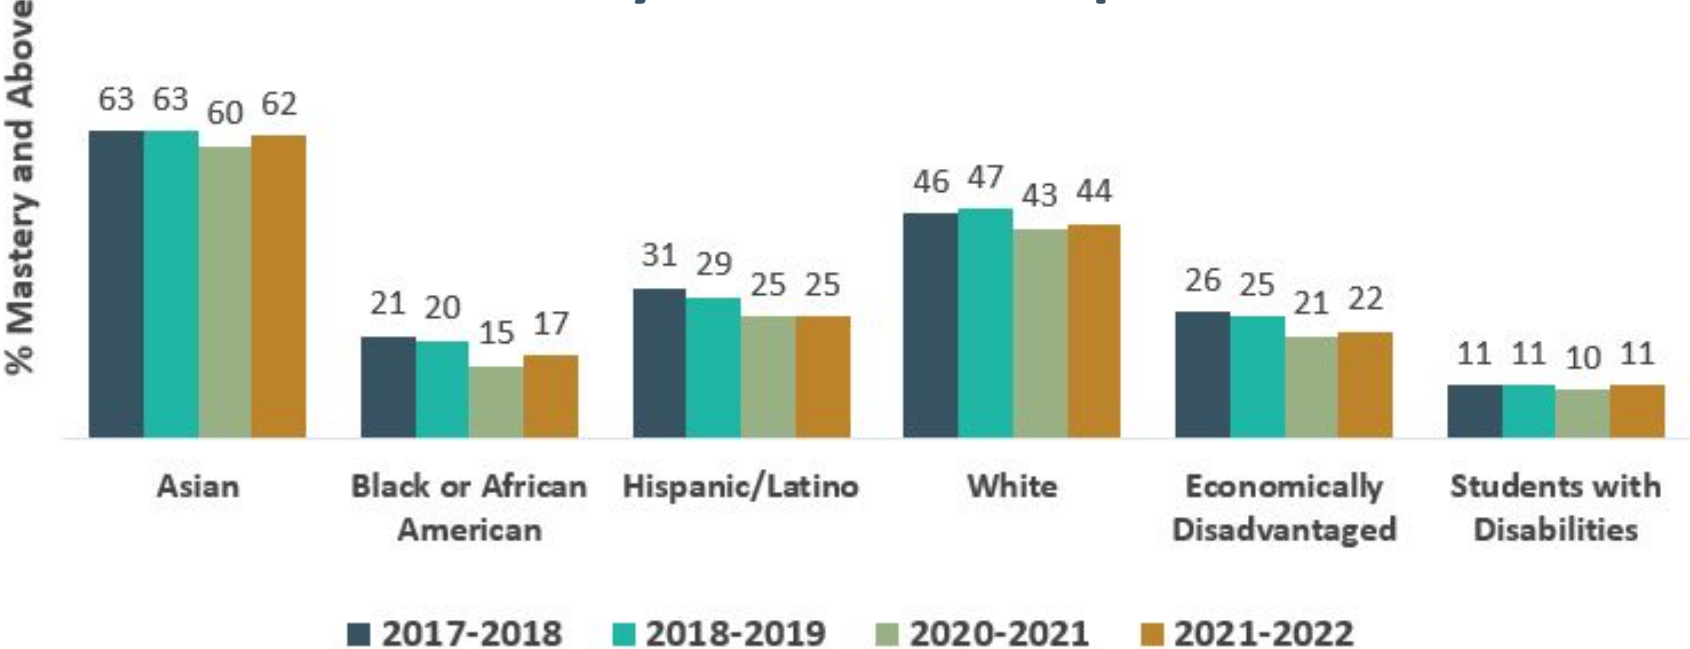

# Increase in Percent Mastery and Above Grades 3-8, 2021 to 2022

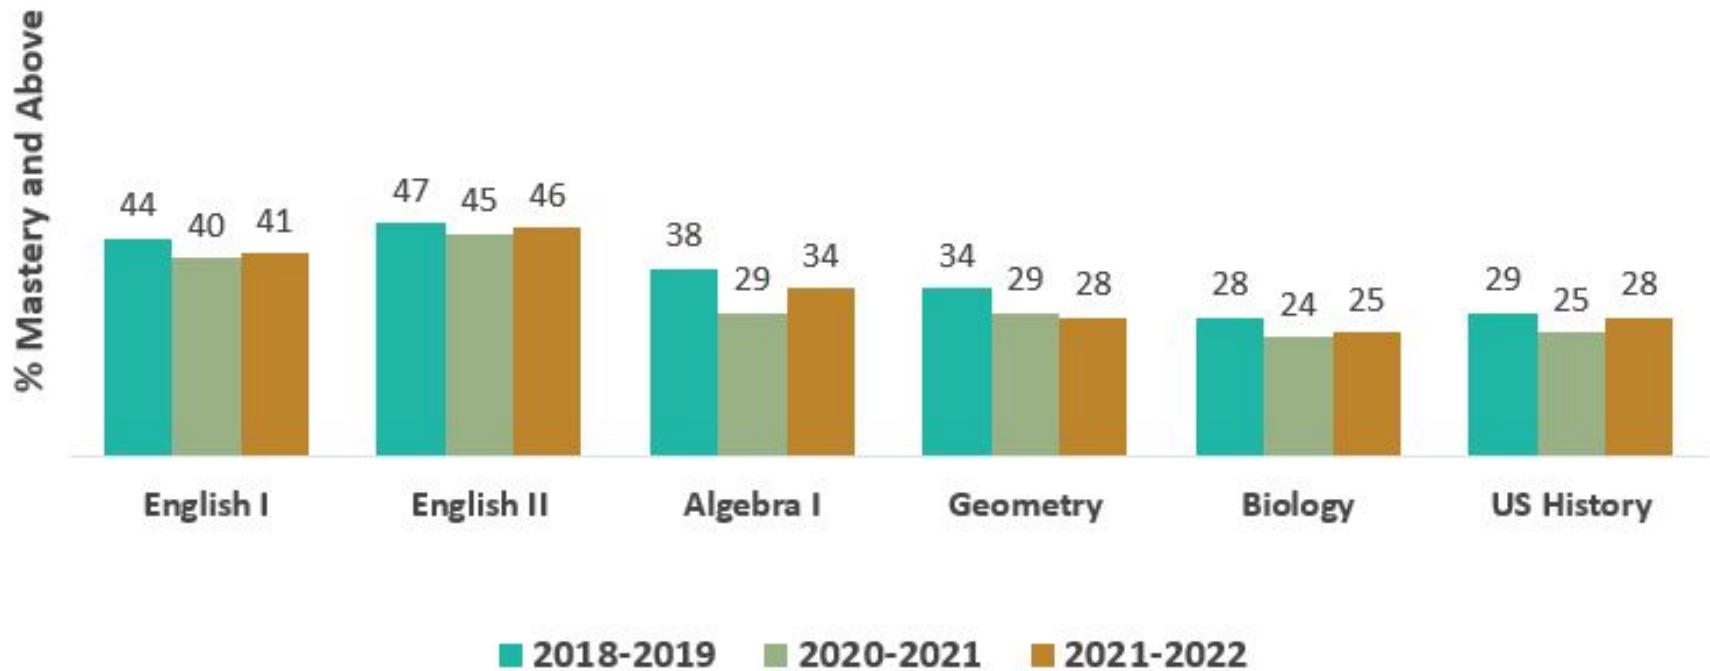

The rate scoring Mastery and above increased 2 percentage points for Asian students, 2 percentage points for Black or African American students, and 1 percentage point for White students, economically disadvantaged students, and students with disabilities.

# Percent Mastery and Above: Grades 3-8, All Subjects, by Student Group

The percent of students scoring Mastery and above increased in 5 out of the 6 high school LEAP courses. Algebra I showed the greatest improvement, with a 5 percentage point increase in students scoring Mastery and above.
